

Impact Statement

Project Title

The Problem:

A summary of the challenge question and why it is important goes here!

The Project:

Here we discuss the project, the team and any key findings throughout. This is where the team can detail their approach to the challenge question and how they solved the problem.

"Always nice to have a quote from the team about their experience working with the Collaborative!"

Impacts:

Impact 1:

This is where we talk about any impacts and actionable insights generated from the project.

Impact 2:

Impact 3:

Next steps:

We also document any lessons learned and next steps here.
